IDYLIC RURAL LIFESTYLE

Waddingham is a beautiful rural Lincolnshire village offering homeowners a quieter life while keeping them well connected to larger market towns and cities. Positioned in the scenic Ancholme Valley, it offers traditional village charm and a community feel, with its expansive village green providing a focal point alongside the picturesque Waddingham Beck.

For families, younger children can attend Waddingham Primary School, in the heart of the village, with highly acclaimed secondary schools also within a short driving distance. Waddingham is less than a 5-minute drive from the A15 and just 16 miles from the historic city of Lincoln, and 10 miles from Scunthorpe and the M180 motorway network.

Its natural surroundings are perfect for walking, cycling, and observing wildlife along the River Ancholme, with views of the rolling hills of the Lincolnshire Wolds, a designated Area of Outstanding Natural Beauty.
